Morris Weil, vice president of the

Senator F. M. Cockrell, of Missouri, was found in his chambers, apartments at Sherry's dead. He had rested in a pool of blood that flowed from two bullet wounds.

lently to the ground. The senator's right collar bone was broken, his left side was bruised and he was otherwise injured.

tion of a teacher for a public school at Elk, a small town ten miles north of Waco, Tex., a bloody street fight occurred. Five men were shot. One man was killed, two dangerously a-

Early in the morning, a crowd of people gathered in front of the governor's residence, and a large number of them were seen to be carrying flags and banners. The governor's refusal to save the life of the man who had been hanged from the gallows in a conspicuous place, was the cause of the demonstration of apparent disapproval.

Twenty-seven people, including several prominent Iowa politicians and number of old soldiers, were injured in an accident on the Maine City

returning to Mason City, Ia., from the last camp fire of the state G. A. R. encampment.

below Herol. Twenty minutes later the Canada went to the bottom. At the time of the collision there was only one person on board the Canada. Fifteen people were lost; the others were rescued.

cer of the Canada militia, and a hero of the South African war, must sign his petition or his appointment will be cancelled by the Canadian government. The name of the man

Lord Dundonald in which he said that appointment of officers in the militia was by political preferment.
